Dear Sir,

Some 9 or 10 years
ago I came from India
& landed in New York.

I had with me about
400 old coins that I
had collected in India,
most of them copper coins
a few silver.

I took them to your
Museum & left them with
you at your office.

Have you been able
to make use of them &
in what way? Please let

we know.^e

yours Very Truly,

Dear Sir:

Replying to your favour of October 22nd, the only entry I find in my records is that of coins given us by, as we have it, Dr. A. W. Cotton, under date of May 19, 1911. These were Indian coins and have been incorporated in our Collection. If these are not the coins in question, could you give me a little more definite data with regard to those you left here.

Very truly yours,

Curator

Dear Sir,

Thank you for
your letter concerning
the coins. Please correct
my name to M. B.
Carleton M.D. or
Dr. M. B. Carleton.

Attending the Union
Theological Seminary in
N. Y. City is a native
of India & a well educated
man, name I cannot
recall just now. I think

he can read the
Sanskrit words on the
Hindus coins & the
Persian words on some
of the other coins,
Try him?

yours Truly,

W. B. Carleton M.D.
